

## **AFTER SCHOOL PROGRAM FALL SESSION 2021 – MIDDLE SCHOOL**

Monday, October 4th – Friday, December 10th from 2:45pm- 4:00pm

Dear Families,

We are excited to be bring back a full After School Program at LPS! Fall registration is now open. There are many exciting offerings all taught by LPS teachers! Each program meets once a week from October 4th - December 10th from 2:45pm- 4:00pm.

Below you will find the link to our new online registration system. Through our **FamilyID** portal you will find all pertinent information about each group we offer. You'll also be able to complete the entire registration process, including making payments. In just a few simple steps, you will be able to create your own account, giving you full access to all that our program has to offer. Just head to: <https://www.familyid.com/learning-prep-school>

If you have any specific questions about how to create and/or navigate your FamilyID account, or if you have any questions about the After School Program, please contact **Marianne Verhaegen** at [mverhaegen@learningprep.org](mailto:mverhaegen@learningprep.org).

**Our registration deadline is Wednesday, September 29th at 5:00 PM.**

---

### [Program options:](#)

#### **Mondays:**

##### **Dance Club with Bella**

Come dance with Bella! This session Bella will be teaching Latin Dance. Students will gain the foundations of musicality and body awareness as they learn the basic steps of latin social dances (salsa, bachata, chacha.) This will be a fun high energy after school group... so strap on your dancing shoes and sign up for Dance Club!

##### **Anime with Lin**

If you love Manga, Anime, and other cartoons then this after school group is for you! Students will come together and discuss all things anime! Students will engage in discussions similar to a book club and have fun watch parties! This is a great chance to spend time with fellow classmates who are interested in the same things as you!

## **Tuesday:**

### **Game Design Class with Luis**

Do you love playing video games? Have you ever wanted to make your own game? Well, now is your chance! Join the Game Design Class! During this course students will learn the basics of game creation. From designing their own board game or card game, to creating their first platformer game on the computer! This is the class for all video game and technology lovers! Students will get to play video games with their friends, create games, and share them with everyone!

### **Drama Club with Marianne**

Do you love theater or acting? Have you ever wanted to take the stage? Well now is your chance! The LPS Drama Club will be rehearsing and putting on a play together. Students will help pick the script, their roles and together create all aspects of the show. At the end of the session there will be a performance and video for families to enjoy!

## **Thursday:**

### **Dungeons and Dragons with Bobby**

Do you love playing games and using your imagination? Well then Dungeons and Dragons is a game for you! Students will participate in a teacher guided role playing game in which they create their own characters and guide them through a fantasy story. Students will use their imagination and critical thinking to make decisions and tell stories within the game, as well as practice their math skills as they learn the game's mechanics and their deductive reasoning skills to solve puzzles.
