

AFTER SCHOOL PROGRAM FALL SESSION 2021 – HIGH SCHOOL

Monday, October 4th – Friday, December 10th from 2:45pm- 4:00pm

Dear Families,

We are excited to bring back a full After School Program at LPS! Fall registration is now open. There are many exciting offerings all taught by LPS teachers! Each program meets once a week from October 4th - December 10th from 2:45pm- 4:00pm.

Below you will find the link to our new online registration system. Through our **FamilyID** portal you will find all pertinent information about each group we offer. You'll also be able to complete the entire registration process, including making payments. In just a few simple steps, you will be able to create your own account, giving you full access to all that our program has to offer. Just head to: <https://www.familyid.com/learning-prep-school>

If you have any specific questions about how to create and/or navigate your FamilyID account, or if you have any questions about the After School Program, please contact **Marianne Verhaegen**, at mverhaegen@learningprep.org.

Our registration deadline is Wednesday, September 29th at 5:00 PM.

[Program options:](#)

Mondays:

Culture Club with Rachel

Do you love popular culture, including music, television, news, celebrities, sports, food, fashion, social media trends, and more? Then Culture Club is for you! This will be a great club for students to get exposed to new perspectives of cultures, increasing confidence in talking about various views of cultural content, enhancing communication skills, and appreciating the diversity of society.

Drama Club with Marianne

Do you love theater or acting? Have you ever wanted to take the stage? Well now is your chance! The LPS Drama Club will be rehearsing and putting on a play together. Students will help pick the script, their roles and together create all aspects of the show. At the end of the session there will be a performance and video for families to enjoy!

Tuesday:

Anime with Lin

If you love Manga, Anime, and other cartoons then this after school group is for you! Students will come together and discuss all things anime! Students will engage in discussions similar to a book club and have fun watch parties! This is a great chance to spend time with fellow classmates who are interested in the same things as you!

In the Kitchen with Mike

Each week students will be in the kitchen preparing a range of foods including cooking and baking. The best part about this program: you get to bring home what you make at the end of each class... YUM!

Thursday:

Dance Club with Bella

Come dance with Bella! This session Bella will be teaching Latin Dance. Students will gain the foundations of musicality and body awareness as they learn the basic steps of latin social dances (salsa, bachata, chacha.) This will be a fun high energy after school group... so strap on your dancing shoes and sign up for Dance Club!

Game Design Class with Luis

Do you love playing video games? Have you ever wanted to make your own game? Well, now is your chance! Join the Game Design Class! During this course students will learn the basics of game creation. From designing their own board game or card game, to creating their first platformer game on the computer! This is the class for all video game and technology lovers! Students will get to play video games with their friends, create games, and share them with everyone!

[We also have Interscholastic Sports!](#)

LPS is proud to bring back our official Soccer team and our Interscholastic sports season! We are excited to be partnering with and playing against neighboring 766 schools this school year. All practices will take place every **Tuesday** and **Thursday** coached by our Physical Education teacher, Peter. A complete game schedule will be sent home to assist you in planning for attendance and transportation. Students playing on our Soccer team will learn the basic rules of the sport while building relationships with their teammates. They will also learn the value of sportsmanship as they play with and against students from other schools.
